

MARY JO is an Offshore 32, used as a shuttle, visiting [local sites](#) on a 2 hourly basis, returning to the pier after each dive. We are able to take out a minimum of 2 up to a maximum of 12 divers on each trip. Hot drinks are supplied and if you wish we can take your photo and email to you as a memento. Mary Jo is available EVERY DAY of the week during the season (1 April - 31 October).

SIDEWINDER is a 33' wooden Berry boat and has operated from Swanage for the last 12 years. Titch operated her until 2002, before that Jon Aylin had her in Weymouth. You can charter her for the day to venture further afield than Mary Jo. The cost is based on 12 divers for 2 dives of your choice. There is a toilet onboard and free hot drinks.
