

WHITE SEA DIVING EXPEDITION

Arctic Direct offer regular departures through February and March to Russia's White Sea for experienced and inexperienced ice divers alike to join this unique break. A mobile diving camp is set up on diving sites. Wooden cabins on sledges provide shelter for changing, for drying of equipment and include a common room module for lunch and socializing. A heated wooden shelter is placed just over the ice-hole (maina) for those who prefer a heated space between dives.
